**Please be aware that items ordered by mistake or not correct may be subject to a 15% re-stocking fee.**

Any products returned for a refund must be correctly packaged to prevent any damage. It is the customer's responsibility if items arrive damaged or in an unsellable manor. We recommend that you use a recorded / signed-for courier service.  
Return shipping costs are non-refundable unless previously agreed.  
Once we receive your parcel, we will inspect and process your return as soon as possible.  
You will receive an email update from a member of staff when your return process is complete. Refunds can take a further 3-5 working days to appear in your bank account. Incomplete returns forms (Missing information / CRN) will be dismissed by our goods-in department and no further action taken. Please ensure all relevant information is provided.

**I have read and agree to the above information & details described/listed on our terms & conditions policy.**
